

TRACK AND TRACE USERS GUIDE

CONTENTS

1.1 How to signup for a new account?

1.2 How to Log-in?

1.3 Track your Shipments

1.1 How to Sign-up?

- Fill up our track and trace registration form and send it to the your assigned Sales Executive.
- We will validate your application and send you a message once your account is activated.

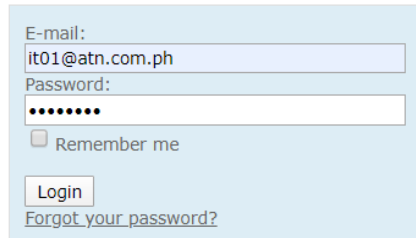

1.2 How to Login?

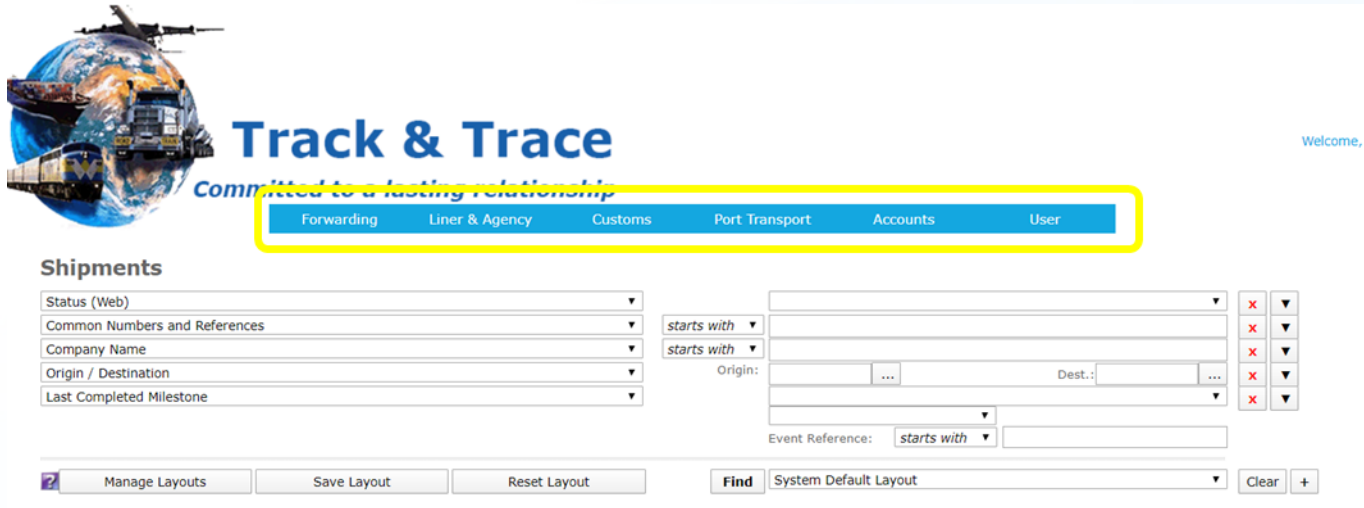

1. Upon receipt of the email informing that your account has been activated, you may then login with the credentials sent to you.
2. You may browse to www.asti.com.ph and click **WEBTRACKER LOGIN**.

3. Enter the email and password as provided and click Login.

A screenshot of the login form on the ASL website. It features two input fields: one for 'E-mail:' containing 'it01@atn.com.ph' and one for 'Password:' containing seven dots. Below the password field is a checkbox labeled 'Remember me'. At the bottom of the form is a 'Login' button and a link for 'Forgot your password?'.

- 4. You will then be forwarded to the Track and Trace Dashboard. The menu as highlighted below depends on the services you availed with us.

The screenshot shows the Track & Trace dashboard interface. On the left, there is a globe icon with a truck and an airplane. The main heading is "Track & Trace" with the tagline "Committed to a lasting relationship". A navigation menu is highlighted with a yellow box, containing the following items: Forwarding, Liner & Agency, Customs, Port Transport, Accounts, and User. Below the menu, there is a "Shipments" section with several dropdown menus for filtering: Status (Web), Common Numbers and References, Company Name, Origin / Destination, and Last Completed Milestone. To the right of these filters are search criteria fields, including "starts with" dropdowns, "Origin:" and "Dest.:" fields with ellipsis buttons, and an "Event Reference:" field with a "starts with" dropdown. At the bottom, there are buttons for "Manage Layouts", "Save Layout", "Reset Layout", and a "Find" dropdown menu set to "System Default Layout" with "Clear" and "+" buttons.

1.3 Track your shipments

1. Navigate to Forwarding >> Shipment.
2. Enter your Search parameters or simply click Find to view all shipments.

Shipments

3. A list of all shipments will be shown as below:
